Subject: DRAFT: Topic Solicitation for 404c Waiver Request Meeting

Tami, as promised, here is the draft email that I am proposing we send out to Tribes. However, as we have both already stated, you know better what information would be helpful to include with or omit from this email, so please feel free to provide suggestions where you see fit.

Good afternoon,

You are receiving this email because you have signed the 404c Waiver Request, and EPA is soliciting items for discussion during the upcoming meeting with the Tribes, EPA's Regional Administrator, and Trout Unlimited. Additionally, EPA is attempt to gauge whether Tribes would prefer an additional meeting with the EPA Region 10 Regional Administrator WITHOUT the presence of Trout Unlimited. Please respond to this email with the following items:

- 1) Please submit proposed topics for discussion during meeting between Tribes, EPA R10 Regional Administrator, and Trout Unlimited.
- 2) Please indicate whether an additional meeting without Trout Unlimited is desired. If so, please indicated any additional topics for discussion that may be different than those above in point 1.

Your response is greatly appreciated and will allow us, Region 10, to ensure that the meeting goes smoothly and that we are able to prepare and represent the Tribe's interests to the best of our ability.

Sincerely,
Westley Foster
